**Ba Na Hills in Vietnam selects IMG Design**

The Sun Group has selected IMG Design as the golf course designer of their new golf development called Ba Na Hills located in Danang, Vietnam. The first 18 holes at Ba Na Hills are now under detailed design. Construction is scheduled to start sometime in early 2011.

Mr. Dang Minh Truong, Deputy General Director of Sun Group commented, “We are very pleased to have IMG as the golf course designer for our Ba Na Hills project. They have a proven track record in designing some of the best golf courses in Vietnam and we are confident that Ba Na Hills will also become one of the finest in the country and add to the number of golfers coming to visit “Vietnam’s Golf Coast”. The substantial wave of economic and tourism development in Da Nang has captured our attention, and we are very happy to be able to contribute to the growth of the region.

Brit Stenson, Director of Design for IMG said, “I have been working on golf course design in Vietnam now for nearly twenty years, and Ba Na Hills presents a outstanding opportunity given its great mix of topography and existing vegetation. That mix will certainly make Ba Na Hills unique among the golf clubs in the Da Nang area, and I am sure it will become one of the best courses in Vietnam.

The Sun Group, a real estate development corporation, has business entities based in Eastern Europe and Vietnam. It is currently developing numerous residential, resort and commercial properties throughout Vietnam. The company strives to be involved with projects of unprecedented quality such as Ba Na Hills Golf Course

IMG Design has extensive experience in designing some of Vietnam’s best golf courses including four that are open for play: Dalat Palace in Dalat, Ocean Dunes in Phan Thiet, Tam Dao in Hanoi and Montgomerie Links in Da Nang. In addition to Ba Na Hills, IMG Design has another 3 projects in Vietnam that are under design or construction.
